

5th December 2011

Dear Valued Customer,

As 2011 draws to a close we reflect on what has been a challenging year.

Fixed, operational and energy costs continue to escalate and as such we are writing to advise of a price increase from **2nd April 2012**.

The price of **Concrete**, all grades, will increase by **\$14.00/m³** (exclusive of GST).

Please note that quotations issued after 1st January 2012, will be subject to the 2nd April 2012 price increase. We hope that this advance notice will enable you to incorporate the new rates into your estimating process.

Concrete Testing Charges and our Surcharge Schedules will also be revised for 2012. To ensure you have the most up-to-date versions of these and our Terms and Condition please visit www.hymix.com.au.

If you require any further information or any assistance from Hymix, please do not hesitate to contact your local representative.

I would like to thank you for your business during 2011. Hymix remains committed to working with you to make 2012 a successful year.

Yours sincerely
